

Evergreen School

Permission Slip 2011-2012

STUDENT'S NAME

PLANNED CLASS TRIPS:

During the course of the school year, several class trips are planned for the children. Therefore, a parent's written permission is required. If you would like your child to go on these trips, please sign your name below and return this form to the school. You will receive advance notification of these outings, either directly from your child's teacher or in the *Bulletin*.

IMPROMPTU TRIPS:

There are times during the year when the extension of a lesson is best done outside of the classroom. For instance, Elementary students caught up in the excitement of a research project may go on the school bus to a nearby public library. The Elementary students often go to a nearby park for recess. Because of the nature of these trips advance notice may not be possible.

PHOTOGRAPHS:

Recording events, celebrations, class progress, and individual students on film is an important part of school life. We ask that you give your permission for your child, you, and/or your family to be included in our Evergreen photo collection, web site, news releases, performance recordings, and school publications. We also recognize that parents may often take pictures or videos of school events, the use of which is beyond our control. We ask that all families be sensitive to the desire of other parents to restrict the public use of pictures of their children.

_____ My child has permission to go on all class trips.

_____ Evergreen has permission to use my family's photographs and/or quotations in publications and on the school web site.
